MARINA DEVELOPMENTS LIMITED HEALTH & SAFETY POLICY STATEMENT

It is Company Policy to promote the highest standard of Health and Safety at all levels of business. The Policy is to do all that is reasonable to prevent personal injury and damage to property and to protect everyone (including our clients) from foreseeable hazards.

In particular this Company has responsibility:

- to provide and maintain a safe and healthy working environment for employees, taking account of any statutory requirements;
- to provide and maintain safe plant, equipment and systems of work, taking account of any statutory requirements;
- to provide information, training and instruction to enable employees to perform their work safely and efficiently;
- to make available all necessary and relevant safety devices, protective clothing and equipment and to supervise their correct use;
- to maintain a constant and continuing interest in health and safety matters applicable to the Company's activities, by consulting and involving employees and/or their representatives wherever possible;
- to make reports and keep records taking account of statutory requirements.

Employees have a duty to co-operate in the operation of this Policy:

- by working safely and efficiently, having regard for others;
- by wearing or using protective clothing and/or protective equipment provided, and by meeting statutory obligations;
- by promptly reporting incidents involving other employees, clients or plant, equipment, or working practices that have resulted or may result in injury or damage;
- by observing company procedures and rules, appropriate to securing a safe and healthy workplace;
- by assisting in the investigation of accidents with the object of introducing measures to prevent a recurrence.
