- You can amend your booking to an alternative date up to 24 hours before your arrival date, but the number of days and marina need to remain the same.
- Occasionally, we may have to make changes or cancel the Booking after it has been confirmed and we reserve the right to do so. If we have to make a change or cancel, we will tell you as soon as possible. If there is time to do so before your arrival date, we will offer you the choice of the following options:
  - (a) accepting the changed date.
  - (b) accepting the changed marina. If the chosen alternative marina is less expensive than your original one, we will refund the difference but if it is more expensive, we will not ask you to pay any more.
  - (c) cancelling or accepting the cancellation in which case you will receive a full refund of all monies you have paid to us, which will be refunded to the original payment method. In all cases, our liability for changes and cancellations is limited to offering you the above-mentioned options. We cannot pay any expenses, costs or losses incurred by you as a result of any change or cancellation.
