SHAMROCK QUAY

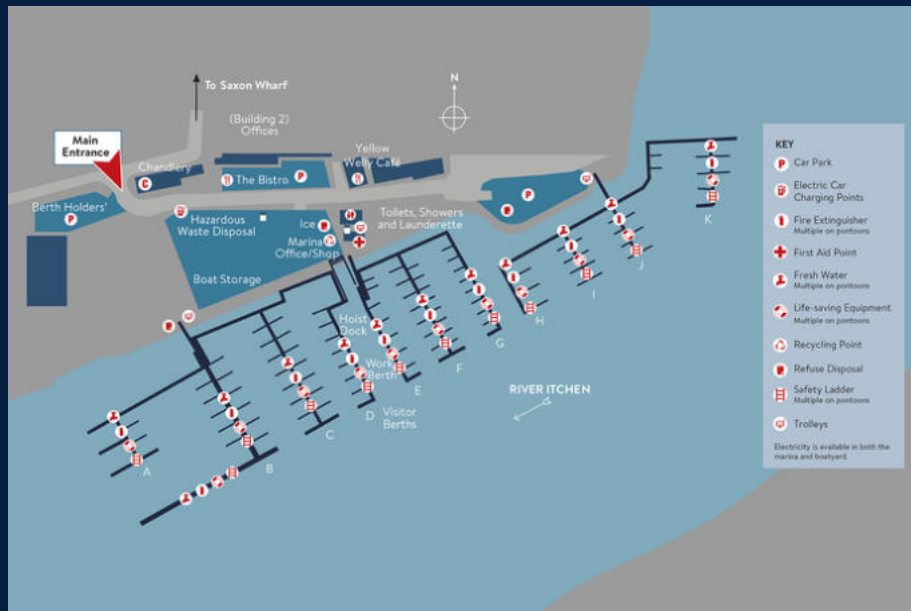

# MARINA INFORMATION

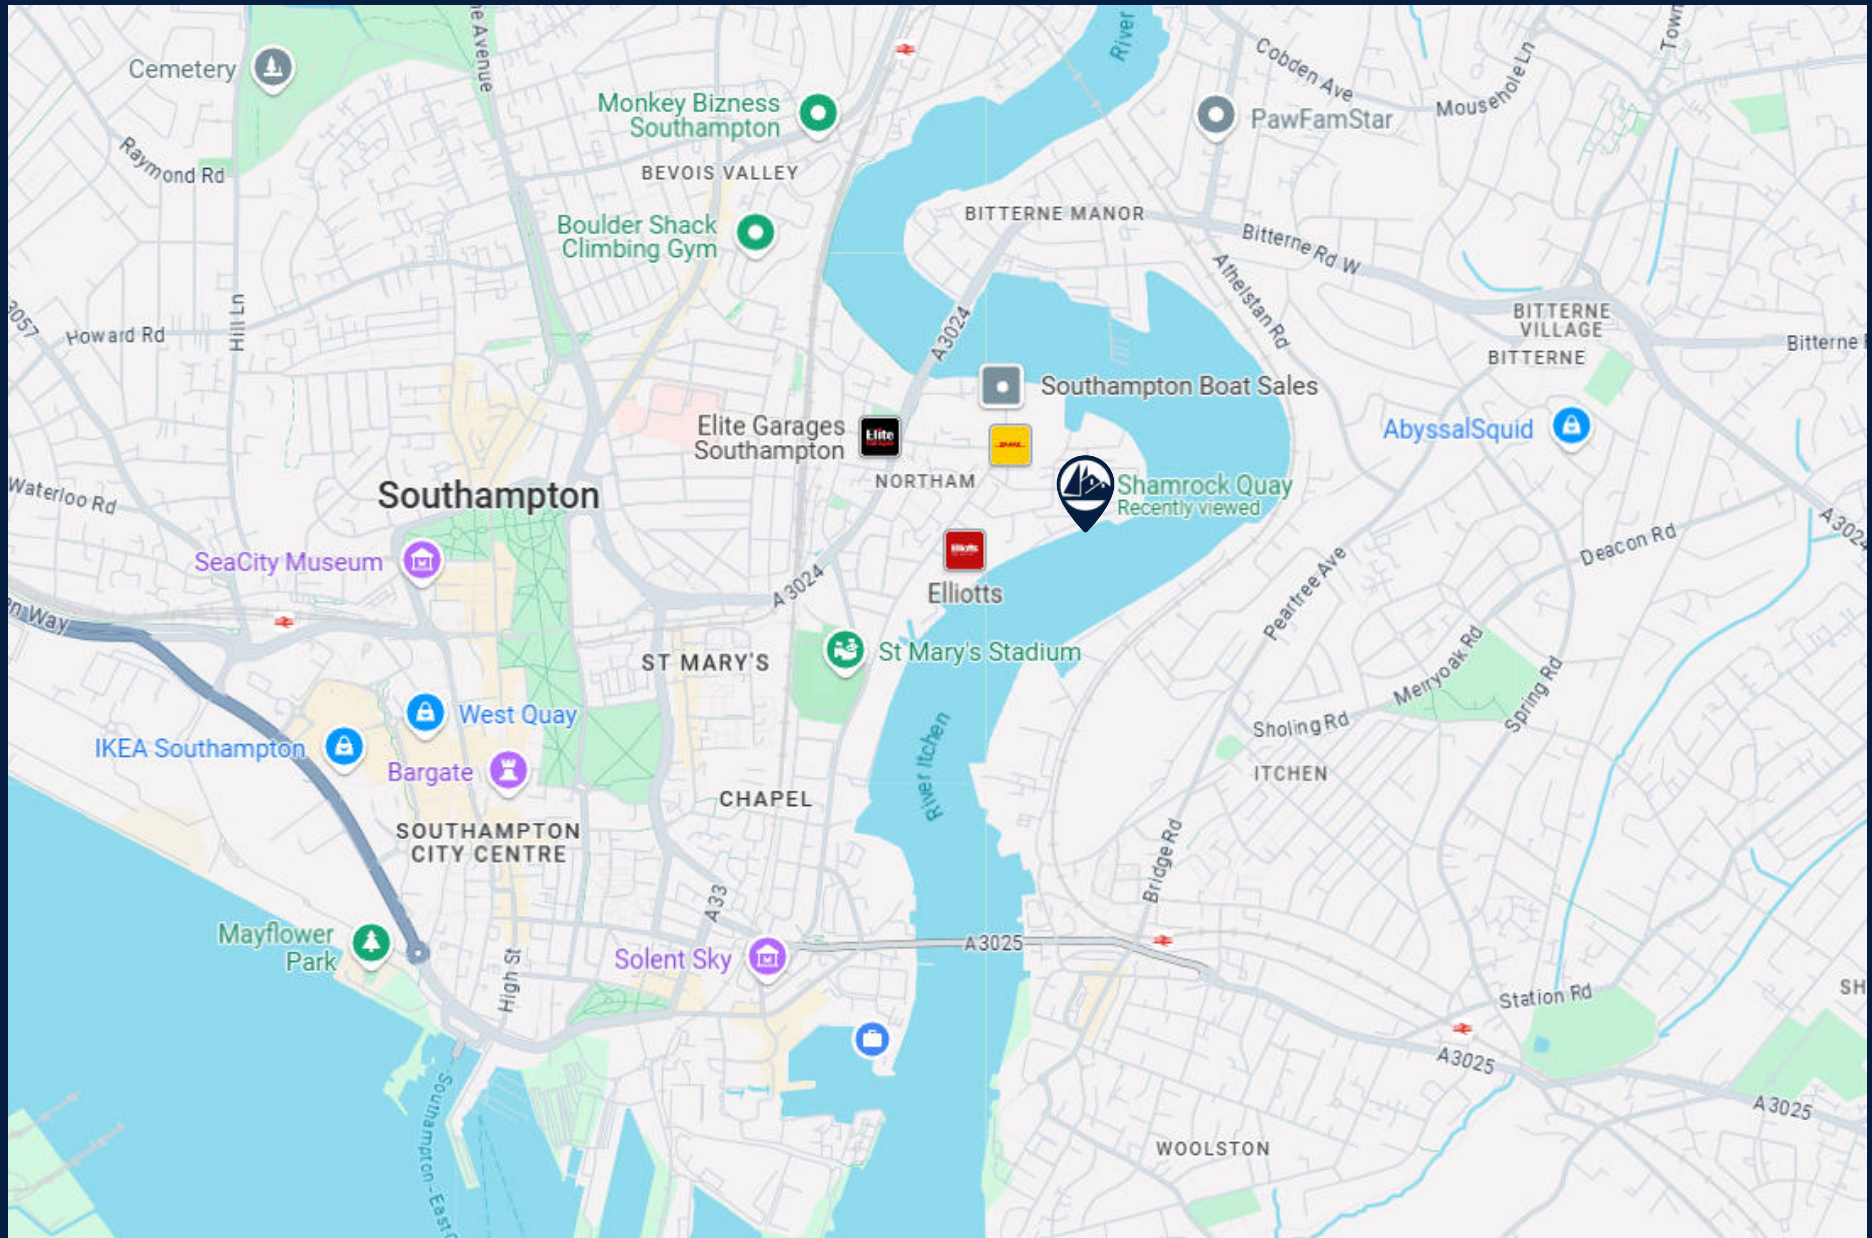

Shamrock Quay Marina, rich in maritime history, owes its name to the famous J-class yacht Shamrock V, which had its first major refit here in 1967. Today, this 255-berth marina remains a bustling hub for boat building and refit services, hosting a variety of specialist trades to meet every marine need.

The marina's extensive boatyard provides everything needed for boat maintenance and repairs, with storage ashore for over 200 boats, a 75-ton travel hoist, and a new 25-ton boat mover. All lifting is managed by MDL's professional, highly qualified team, ensuring the safe handling of every vessel. With over 25 on-site companies offering services from sail making and engineering to a fully stocked chandlery, Shamrock Quay is a convenient one-stop destination. The marina also features modern facilities, including a café, a stylish menswear store, and The Bistro Shamrock Quay, along with a 70-metre superyacht berth and a 60-metre visitor berth, catering to boats and owners of all sizes.
